  I have attached 2 spreadsheets to this week's agenda. One is the SOFAB recommendations (that went over budget by around $40,000) and Andrew's recommendations (where the changes are marked by red). Andrew's recommendations take into account for all the money transfers from various pots of money. Our goal was to fund 33% of the requests--and this is the only way we can accomplish this with minimal damage to the A.S. treasury. Hope this bodes well.
